## Erasmus+ mobility call for traineeships outside the EU countries

Students are welcome to apply for Erasmus+ traineeships outside the European Union. The deadline for sending an application is 30 March 2025.

WHO: The recruitment is aimed at students in the first, second, and third cycle of studies (completed at least the first year of first cycle studies) with the status of SGGW students.

WHERE: The traineeship can be carried out in a partner country of the Erasmus+ program (third countries not associated with the program – list). This group of countries also includes Great Britain and Switzerland. The receiving institution can be an enterprise, research institute, laboratory, university from a partner country, or any other suitable place of work.

WHEN: The mobility can be carried out during the Summer of 2025 (at the latest by the end of September 2025). The traineeship must last at least 60 days.

## • FINANCIAL SUPPORT

Financial support for mobility is provided for a maximum of 3 months (90 days). The monthly scholarship rate is EUR 700 except for countries in regions 13 and 14\* (the scholarship for these regions is EUR 820). The student is entitled to 2 or 4 days of subsidized travel depending on the distance of the host institution.

Students with fewer opportunities (those with disabilities or those who receive a social scholarship in the current academic year) may receive a monthly supplement to the scholarship in the amount of EUR 250.

- confirmation of knowledge of a foreign language,
- preliminary consent of the receiving institution in the form of an [Acceptance Letter](#) containing the signature of the legal representative of the receiving institution (e.g. president, director, head of the human resources department) and the institution's seal.
